### **Requirements for abstracts:**

Title of the work

First name, second name of author(s)

Name of the organization

E-mail of the author (for correspondence)

The electronic version of the text in MS Word format (\*.doc)

Font – Times New Roman, size – 12 pt

Margins: top – 2 cm, bottom – 2 cm, left – 3 cm, right – 1.5 cm

Alignment “width”

Interval – 1.0

The size of the material – no more than 3 pages, including references

All abbreviations should always be transcribed in the text

***For further information, please, contact:***

### **The Organizing Committee**

In charge of the scientific work

Professor *Vladimir V. Davidenko*

Tel. (812) 232 7902

Assistant

*Fedor S. Nefedev*

Tel. +7 981 757 5755

## **The main directions of the conference**

### **1. The plenary meeting devoted to the 109<sup>th</sup> anniversary of the birth of academic Fyodor G. Uglov**

---

### **2. Section meetings**

---

- New technologies and the “old” problems of the heart valve surgery.
- Cellular and genetic technologies in the induction of angiogenesis – reality and perspectives for the heart surgery (Supported by Human Stem Cell Institute)
- Echocardiography in heart surgery (Supported by Biosense Webster and General Electric)
- Interventional arrhythmology

### **3. Symposiums**

---

- Three-dimensional echocardiography in cardiology and heart surgery (with the assistance of General Electric)
- New materials in the cardiovascular surgery – from the idea to the clinical practice

*During the conference master-classes will be held (registration needed)*

### **4. Master classes (for experts in the fields):**

---

- Transesophageal echocardiography during catheter heart surgery (with the participation of Biosense Webster)
- Intracardiac ultrasound: methodological aspects and applications in heart surgery (with the participation of Biosense Webster)
- Errors in the interpretation of electro-anatomical maps – causes and solutions (with the participation of Biosense Webster)
- Usage of the Care-Link system in clinical practice (with the participation of Medtronic)
